

*Play* evokes many notions: from fun and creativity, to our modern era's drive to incite action. The physically of the 'play' button is echoed in the design of *Play's* sofa arm, signifying the beginnings of participation, and engagement with this seductive piece. A comfortable and slick design for the youthful and contemporary workplace and home. *Play* is an inspired response to complement our technology driven world.

Available seating sizes range from the single 1 *Play* climaxing with 4 *Play*.
