

**wave side table 45** | design brian steendijk | 030805-T1

The *Wave* table collection makes its impact in any environment with its sensual styling, simplicity of form and playful elegance of the undulating circular base. The *Wave* table collection including *Side*, *Low* and *Dine* all feature the unique wave base which rests elegantly on any surface in a tripod configuration, producing stability and practicality. Available in a variety of sizes and finishes to accentuate the simple brilliance of *Wave's* form, tables can be customised to suit corporate, domestic and commercial settings in internal or external applications.
